

2022 Freshwater Fishing Regulations

Department of Environmental Conservation

Summary of Changes

DEC recently implemented a series of changes designed to clarify and simplify fishing regulations. The following encompasses some of the more notable changes anglers will likely encounter.

Regulation	Benefit
Statewide Rainbow Trout, Brown Trout and Splake regulation in lakes and ponds, open year-round, 5 fish daily limit, any size with no more than 2 longer than 12”.	<ul style="list-style-type: none"> Year-round season allows for more fishing opportunities Opportunity for immediate harvest while stretching out the number of larger fish that can be harvested 123 less lakes and ponds that have special regulations
Statewide Atlantic Salmon year-round open season.	<ul style="list-style-type: none"> Eliminates special regulations on the vast majority of Atlantic Salmon fisheries that were already open to year round fishing (32 waters).
Ice fishing is permitted on all waters in New York unless specifically prohibited, with the exception of Essex, Franklin, Fulton, Hamilton, Herkimer, Lewis, St. Lawrence, Warren, and Washington counties.	<ul style="list-style-type: none"> Simplifies ice fishing regulations by clearly establishing where ice fishing is permitted in most of the state
Fishing season opening dates <ul style="list-style-type: none"> May 1 for Walleye, Northern Pike, Pickerel, and Tiger Muskellunge June 1 for Muskellunge June 15 for Largemouth and Smallmouth Bass 	<ul style="list-style-type: none"> All sportfish season openers are now on hard dates (no more Saturday openers) <p>NOTE: Due to the timing of the regulation change, anglers will be allowed to fish for Muskellunge beginning the last Saturday in May for the 2022 season only.</p>
5 fish daily limit for Walleye in Oneida Lake	<ul style="list-style-type: none"> A moderate increase in harvest will be beneficial to the health of the population and forage base, given the current high population of Walleye.
2 fish daily limit for Steelhead in the Lower Niagara River	<ul style="list-style-type: none"> Corrects a previous rule change omission
Open year-round, no daily limit, 12" minimum length for Walleye in Skaneateles Lake	<ul style="list-style-type: none"> Protects Rainbow Trout from potential impacts from illegally introduced Walleye
Statewide Sunfish daily harvest limit of 25 fish	<ul style="list-style-type: none"> Protection from overharvest while still providing ample harvest opportunities
Statewide Crappie 10” minimum size limit	<ul style="list-style-type: none"> Improve the size structure of Crappie populations
